HD200 Express Exit Station

The HD200 Express Exit Station has all of the standard and optional features of the HD100 Entry Station PLUS a high-spectrum infra-red scanner for automatic reading of exit tickets. When enhanced with an optional proximity reader or keypad, exiting becomes a breeze. The HD200 can also be equipped with a credit card acceptor, which provides great flexibility for automatic payment at the exit station when used in conjunction with the HD100 Entry Station.

For more innovative express revenue control solutions, please ask for details on the new PE300 Pay At Exit, PD800 Pay & Display and POF900 Pay On Foot machines.
